

Every Policy Makes a Difference.

CHUBB®

More than **144,000**
Chubb donated trees benefit
communities worldwide.

Over the past decade, Chubb has donated one tree
for every environmental insurance policy issued.

Providing habitat for critically endangered
Sumatran orangutans in **Indonesia**

Building turkey, squirrel and bear habitats
in **Virginia's Appalachian mountains**

Creating habitat for migratory monarch
butterflies in **Michoacán, Mexico**

Planting hardwoods where wildfire
ravaged earth in **New Mexico**

Restoring ecological functions of trout streams in
the **Greenbrier River, West Virginia**

Cultivating gopher tortoise environs
in **Mississippi**

Enriching cloud forests, the most vulnerable
and bio-diverse ecosystem in **Mexico**

Restoring native thorn scrub to shelter
ocelots in **Texas**

One tree can absorb **48 pounds** of carbon dioxide per year
