Chubb Worldview

Powerful, comprehensive and transparent. Chubb Worldview®, our unique and award-winning web-based platform, puts the status of your entire insurance programme at your team's fingertips - in real time. Your team can view programme and claims updates, get copies of local policies and certificates, and even access the proprietary research tools our underwriters, account managers, claims teams and legal staff use every day. Chubb Worldview® is the most powerful, effective and transparent tool of its kind in the industry, and it's available exclusively to Chubb clients and their brokers.

Chubb Global Accounts

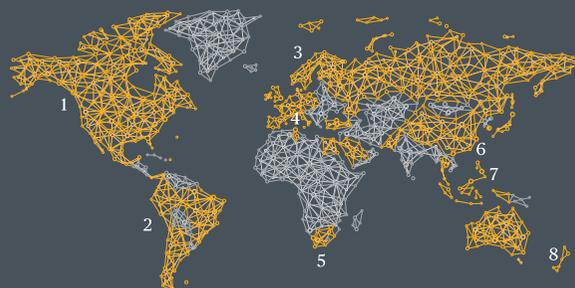

The highest level of service for your complex insurance needs.

At Chubb, we understand the challenges that complex, interconnected risks present for today's large multinational organisations. Chubb Global Accounts is a division that focuses our worldwide underwriting, service and claims capabilities exclusively on large organisations with complex risks.

From traditional Property & Casualty and Accident & Health risks to emerging threats related to environmental concerns, terrorism and political violence, Chubb Global Accounts works in tandem with your broker to help manage your entire insurance programme more efficiently, more transparently, and more cost effectively.

“Chubb has a unique combination of products and capabilities. We are focused on meeting the needs of our client's and their people around the world.”
- Andrew Brooks, New Zealand Country President, Chubb Insurance New Zealand Limited

The Chubb Difference

Whether you are a manufacturer with factories overseas, a conglomerate with your own captive insurer or a government entity, we understand the issues that can affect your business. Chubb can tailor multinational insurance solutions to your specific requirements.

With a Chubb multinational programme you will benefit from:

- **Solutions wherever you may be:**
We have extensive operations in 54 countries and territories, and a network that spans 200 locations.
- **Client relationship management:**
Our global network is dedicated to providing you with comprehensive support in all areas of your programme. It's a comprehensive approach that spans borders, lines of business and service areas seamlessly.
- **Claims relationship management:**
Coordinated, real time and responsive when a claim occurs, wherever it occurs, we'll manage it consistently and accurately, and we'll resolve it efficiently.
- **Legal and regulatory monitoring:**
With local experts around the world, we stay on top of evolving legal and regulatory conditions so you can be aware of the requirements that affect your programme, regardless of geography.
- **A proven track record of success:**
Chubb has been providing globally coordinated, locally flexible insurance solutions for multinational organisations and their brokers for three decades.
