

CHUBB®

Multinational programmes

Expertly crafted and locally delivered for you and your clients

Your trusted multinational partner with the ability to craft underwriting and claims solutions that fit companies operating around the world and in challenging territories.

As the business landscape becomes more competitive, many mid-market companies are seeking growth in new territories. While this provides opportunities for growth, it also brings new risks. Understanding and managing multinational insurance programmes can be challenging. Businesses need to work with experienced partners who can help them deal with the complexities of this risk and also global compliance issues.

Investment

Chubb's continued investment in people and market-leading technology, together with our ever-expanding global footprint allow us to create fully integrated and transparent solutions to help manage the uncertainties of operating in the multinational space.

Expertise

We provide expertise across our Regional branches throughout the UK and Ireland in client management, underwriting, risk engineering, claims, and compliance. This, combined with the breadth of our product range means we can equip you and your clients with the right tools and knowledge to tackle multinational risk wherever they do business.

Partnership

We partner with brokers to give them the support and confidence they need, enabling them to be focused on growing their business.

If you are looking for the optimal global compliant programme for your client, Chubb has the solution.
