

Chubb Marketplace

CHUBB®

Chubb Small Commercial Insurance (SCI) is changing the way independent agents serve small businesses.

Introducing the Chubb Marketplace, designed for, and by, independent agents.

The Marketplace offers a modern and streamlined approach for the placement and service of small business accounts. It gives agents more time to serve their clients and grow their business.

Key Features

Built with cutting edge technology to provide agents the best experience possible, the Marketplace is:

Efficient

Account level appetite check, quote proposals, and billing statements

Easy
